## **EMERGENCY RESTORATION ACTIONS (ITEM 50-C, AGENDA OF DECEMBER 6, 2011)**

On December 6, 2011, your Board ratified the proclamation of existence of a local emergency made on December 1, 2011, for the severe winds beginning in Los Angeles County on November 30, 2011, and instructed the Chief Executive Officer to provide status reports while the emergency restoration actions are underway. This report provides an update of the activities that have taken place since January 24, 2012.

FEBUARY 2, 2012 – An after-action briefing for the Fifth District Board Deputies was conducted at the Los Angeles County Emergency Operations Center (CEOC). The briefing consisted of an overview of the windstorm, followed by a roundtable discussion from agencies that staffed the CEOC during the event.

FEBUARY 9, 2012 – An initial meeting of the Operational Area Windstorm After-Action Report (AAR) Committee was held. The AAR Committee consists of County departments, cities, Southern California Edison, and community and faith-based organizations that were involved in the response and recovery of the windstorm event. The AAR Committee will meet bi-weekly to generate the AAR within the ninety-day statutory deadline.

FEBUARY 23, 2012 – The AAR Committee identified four reporting areas (Communications, Response, Recovery, and Emergency Operations Center Activations) for the AAR. An AAR template was drafted and will be used to create the

AAR. The AAR will be reviewed at the next scheduled meeting on Thursday, March 8, 2012.

FEBRUARY 28, 2012 – The AAR template was finalized and distributed to committee members. The deadline for submission of the completed AAR is Wednesday, March 7, 2012.

We will continue to provide updates of our recovery actions until the AAR is completed. Should you have any questions of the information provided, please contact Georgia Mattera at (213) 893-2374 or Keith Harrison at (323) 980-2269.
